

Sharanne Limited Wine Offerings 2021

Magnums for Sale (for pre-order or subject to limited availability on arrival)

When Sharon entered the grand dining room on her first visit to the house, she decided that the ArtDecoHouseUK would be the perfect place for decadent wining and dining! In that vein, she offers a small selection of wines from her private cellar for sale – all in magnum size of course (all bottles contain 1500ml, unless stated otherwise).

Champagne will be chilled for your arrival at the ArtDecoHouseUK and our fine wines will have been positioned in the kitchen at room temperature for several hours (of course if you want them hidden for a later surprise we can do that too – just let us know)
